

COVID19 analysis report

Ostap, Madiyar, Wing, and Emily

2023-12-15

Summary of the Palmer penguins data

The number of COVID19 deaths in the U.S. by the age
Study conducted between 27th December 2019 and 27th July 2021

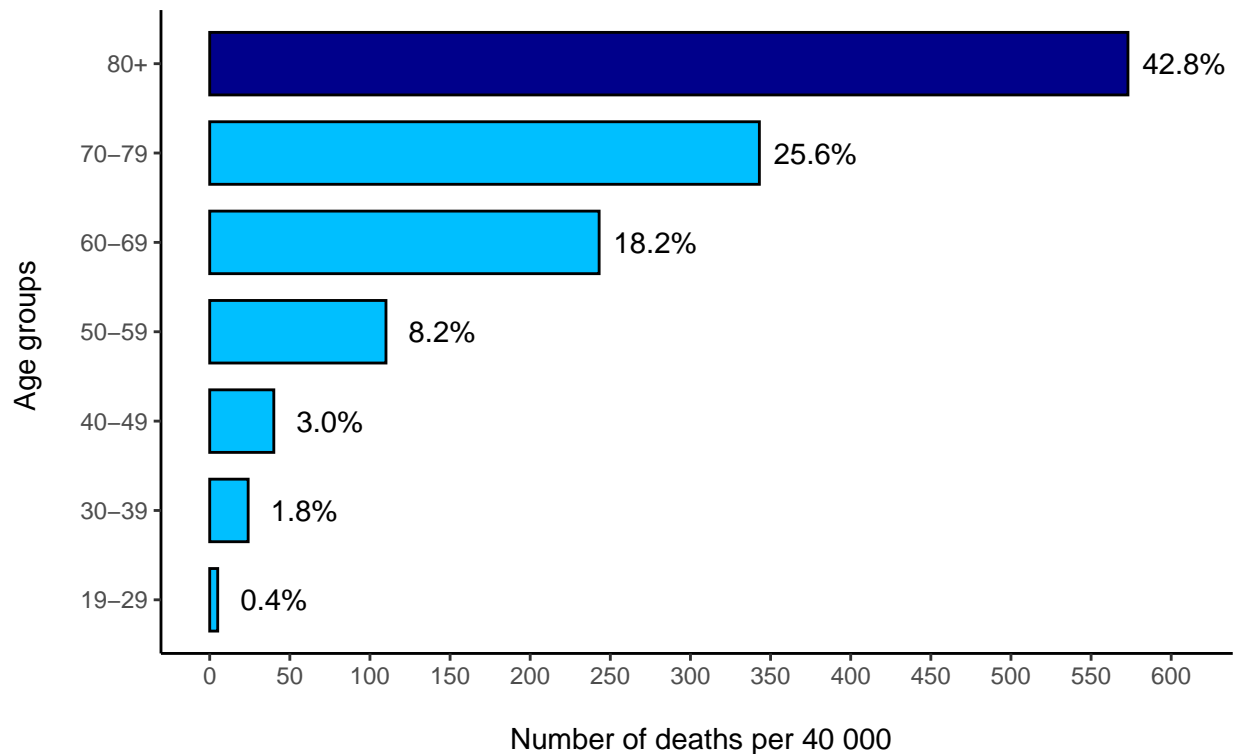

Figure 1: As the age increases the death rate rises, with the most significant death observations in the 80+ category.

Difference in body mass and culmen length between the three species
